

BOSTON HIGH SCHOOL SUMMER 2026 POST RESULTS SERVICES

All staff at Boston High School hope that students are pleased with their examination results. If, however, a result falls significantly short of what was anticipated, enquiries can be made through the post results services which are available from the awarding bodies. Awarding bodies also provide an 'access to scripts' service.

All applications for Post Results Services and Access to Scripts must be processed by the Examinations Officer.

Before you make a request to the Examination Officer, discuss your intentions with your Subject Leader or Learning Leader as the School may well support your request and pay the associated fee. If the School cannot support your request, the Examinations Officer can make the application on your behalf, **with parental/carers consent**. You will have to pay the associated fee in advance before any application is made by either BACS (details provided on request) or Cash.

CLERICAL CHECK – SERVICE 1 POST-RESULTS SERVICES

This service is available for externally assessed components and is a re-check of all clerical procedures leading to the issue of a result, including the following checks:

The target for completion is within **10 calendar days** of the awarding body receiving the request.

IMPORTANT! Please see outcomes of post-results services on the next page.

REVIEW OF MARKING – SERVICE 2 POST-RESULTS SERVICES

This service is available for externally assessed components which includes:

PRIORITY REVIEW OF MARKING –PRIORITY SERVICE 2 POST-RESULTS SERVICES

This service is as a Review of Marking, Service 2, but is only available for GCSE Pearson Exam Board only. The target for completion is within **15 calendar days** of the awarding body receiving the request.

IMPORTANT! Please see outcomes of post-results services below.

OUTCOME OF CLERICAL CHECKS & REVIEWS OF MARKING

Clerical Checks and Reviews of Marking have three possible outcomes:

- Your original mark is lowered, so **your final grade may be lower than the original grade** you received;
- Your original mark is confirmed as correct, and there is **no change to your grade**;
- Your original mark is raised, so **your final grade may be higher than the original grade** you received.

Before the Examinations Officer applies for post-results services, you will be required to sign a candidate consent form to confirm that you understand the above, in particular that you accept that **grades may go down**. Where there has been a downgrade, the request will **not** be revoked, and the original higher grade will **not** be reinstated.

ACCESS TO SCRIPTS

Candidates can request access to their own scripts for general interest or to inform future learning. Original scripts, or an electronic image of the script, will be returned for scripts to support teaching and learning option. Original scripts must not be written on or otherwise tampered with ahead of the earliest date for disposal as they may need to be retrieved for return to Awarding Bodies earlier than this date. **Candidates should not request original scripts if they intend to lodge an enquiry about a result.**

Candidates can request access to electronic scripts, prior to deciding whether to request a Clerical Check or Review of Marking as described above, please see the Key Dates information in table on the next page of this leaflet.

If required candidates can request access to copies of clerically checked or reviewed scripts with their applications, some Exams Boards charge a fee for this, please see the fees table at the end of this leaflet.
