Candidate Consent - Information for candidates

The following information explains what may happen following a Clerical Re-Check or Review of Marking and any subsequent appeal.

If your school or college requests a Clerical Re-Check or Review of Marking and any subsequent appeal, for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with a Clerical Re-Check or Review of Marking, you must sign the form overleaf. This tells the Head of your School or College that you have understood what the outcome might be, and that you give your consent to the Clerical Re-Check or Review of Marking results being made.
